1. A request for continued examination under 37 CFR 1.114, including the fee set forth in 37 CFR 1.17(e), was filed in this application after final rejection. Since this application is eligible for continued examination under 37 CFR 1.114, and the fee set forth in 37 CFR 1.17(e) has been timely paid, the finality of the previous Office action has been withdrawn pursuant to 37 CFR 1.114. The following is an examiner's statement of reasons for allowance: Claims 11-22 are towards a tray which among the combination of limitations, comprises a matrix configuration consisting of four orifices forming a square, positioning corners that establish respective corners of the square, and at the center of the square, each orifice includes a planar flexible support wall opposite the positioning corner of the orifice.

4. The prior art of record does not suggest nor disclose this combination of limitations.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
